AAA · F2P · Roblox · VR

HOW WE WORK WITH YOU

Full Production

Concept → launch → live-ops, one partner.

Co-Development

We embed with your team (Unity/Roblox/UEFN).

Single Discipline

Art, eng, design, production, QA or porting.

Live-Ops Retainer

Ongoing content, events, economy, community.

UEFN / Roblox

Branded Fortnite & Roblox experiences.

SELECTED WORK

Guardians of Lumina

Tower Defense (F2P) || Roblox

Full development from scratch — reached top 100 on Roblox by monetization.

[▶ Video](#)

Tetris Beat

Puzzle / Rhythm || Apple Arcade

Game design & production on an AA-quality Apple Arcade title. [▶ Trailer](#)

Nickverse

Open-world adventure || Roblox

Built for Nickelodeon / Paramount — design & production. [▶ Trailer](#)

Ava's Manor

F2P Puzzle / Narrative || Mobile

Production & game design on a top-grossing F2P mobile title. [App Store →](#)

Metazells

Action-Adventure (F2P) || Roblox

Full development from scratch — a Roblox action-adventure for a 3D animated kids' TV brand. [▶ Trailer](#)

Branded Fortnite Island

Branded Island (UEFN) || Fortnite

A custom branded island for a food brand — four distinct death-run courses, built end-to-end in UEFN. [Latest delivery](#)

Robo Jungle

3D Endless Runner || Mobile

Our own IP — a 3D endless runner we designed, built & launched on mobile. [▶ Trailer](#)

A few highlights — we've shipped many more. **Full portfolio available on request.**

PLATFORMS & TECH

Engines: Roblox (Luau) · UEFN / Fortnite · Unity (mobile/PC/web) · Unreal Engine | **Also:** full art (2D/3D), programming, QA, porting, analytics & live-ops. Certified Scrum Master-led production, on time and on budget.
